

HOT CHOCOLATE DISPENSER

FEATURES

01

**BPA FREE
& HIGH DENSITY
TANK**

Built with a BPA-free, food-grade, and high-density polycarbonate tank bowl for safe and reliable use.

02

**LUMP-FREE
HOT
CHOCOLATE**

Engineered with a grade 304 stainless steel stirring rod and boiler, complemented by a polycarbonate paddle stirrer for continuous mixing to prevent lumps.

03

**WATER
SHORTAGE
ALARM**

Equipped with a 3.25-liter water bin with an alarm function to alert you in case of water shortage, preventing operation without water.

04

**ANTI-
CLOG
FAUCET**

Designed with a removable, easy-to-clean, anti-clogging faucet/tap for hassle-free maintenance.

05

**DRIP TRAY
WITH FULL
INDICATOR**

Comes with a drip tray equipped with a floater that indicates when the tray is full.

06

**PRECISE
HEATING
CONTROL**

Includes a thermostat with an adjustable temperature range from 65°C to 90°C for precise heating control.

07

**HEAT &
WEAR
RESISTANCE**

Constructed with a durable POM (Polyoxymethylene) exterior body, offering excellent heat and wear resistance.

08

**USER
FRIENDLY**

Equipped with a reset button to resolve issues like malfunctioning—simply press the button for a quick fix.

09

**EASY
MAINTENANCE**

Supplied with a convenient pipe brush to ensure thorough cleaning

SPECIFICATIONS

BMCD-10

Model	BMCD-10
External Dimension WxDxH (mm)	278x410x580
Bowl Capacity (L)	10
Water Tank Capacity (L)	3.25
Temperature Range (°C)	+65~+85
Heating Time	20~30 minutes
Power (W)	1006
Voltage (V)	220~240
Frequency (Hz)	50/60
Packing Dimensions WxDxH (mm)	385x385x645
Net Weight (Kg)	8
Packing Weight (Kg)	10.2
Plug Requirement	Type G (British Plug)
Drain connection	N/A
Water Connection	N/A
Ventilation Requirements (MM)	Top: 25 Sides: 25 Rear: 25
